

SAN FRANCISCO – *The Mowgli's*

Well I've been in love with love
 And the idea of
 Something binding us together
 You know that love is strong enough.
 And I've seen time tell tales
 About that systematic drug
 Yeah, that heart that beats as one,
 It's collectively, unconsciously composed
 Do do do do, do do do do

I lost my head in San Francisco
 Waiting for the fog to roll out
 But I found it in a rain cloud, it was smiling down.
 Do you feel the love, I feel the love.
 C'mon, c'mon let's start it up,
 Let it pour out of your soul

Well I've been in love with love
 And the idea of
 Something binding us together
 You know that love is strong enough.
 And I've seen time tell tales
 About that systematic drug
 Yeah, that heart that beats as one,
 It's collectively, unconsciously composed
 Do you feel the love, I feel the love.
 C'mon, c'mon let's start it up,
 Let it pour out of your soul

Do you feel the love, I feel the love.
 C'mon, c'mon let's start it up,
 Let it pour out of your soul

Do do do do, do do do do

THIS LITTLE LIGHT OF MINE

Traditional, arr. Mark David Buckles

This little light of mine, I'm gonna let it shine.
 This little light of mine, I'm gonna let it shine.
 This little light of mine, I'm gonna let it shine.
 Let it shine, let it shine, let it shine.

All through the night, I'm gonna let it shine.
 All through the night, I'm gonna let it shine.
 All through the night, I'm gonna let it shine.
 Let it shine, let it shine, let it shine.

Building up a world, I'm gonna let it shine.
 Building up a world, I'm gonna let it shine.
 Building up a world, I'm gonna let it shine.
 Let it shine, let it shine, let it shine.

Ev'rywhere I go, I'm gonna let it shine.
 Ev'rywhere I go, I'm gonna let it shine.
 Ev'rywhere I go, I'm gonna let it shine.
 Let it shine, let it shine, let it shine.

This little light of mine, I'm gonna let it shine.
 This little light of mine, I'm gonna let it shine.
 This little light of mine, I'm gonna let it shine.
 Let it shine, let it shine, let it shine.

ENTER, REJOICE, AND COME IN – *Louise Ruspini*
arr. Mark David Buckles

Enter, rejoice, and come in. Enter, rejoice, and come in.
Today will be a joyful day; enter, rejoice, and come in.

Enter, rejoice, and come in. Enter, rejoice, and come in.
Today will be a joyful day; enter, rejoice, and come in.

Open your ears to the song. Open your ears to the song.
Today will be a joyful day; enter, rejoice, and come in.

Open your hearts everyone. Open your hearts everyone.
Today will be a joyful day; enter, rejoice, and come in.

Don't be afraid of some change. Don't be afraid of some change.
Today will be a joyful day; enter, rejoice, and come in.

Enter, rejoice, and come in. Enter, rejoice, and come in.
Today will be a joyful day; enter, rejoice, and come in.

I JUST WANT TO CELEBRATE – *Rare Earth*

I just want to celebrate another day of living
I just want to celebrate another day of living
I just want to celebrate another day of living
I just want to celebrate another day of life.

Don't let it all get you down, no no.
Don't let it turn you around.

I just want to celebrate (**repeat**)

I just want to celebrate another day of living
I just want to celebrate another day of living
I just want to celebrate another day of living
I just want to celebrate another day of life.

ENTER, REJOICE, AND COME IN

Enter, rejoice, and come in. Enter, rejoice, and come in.
Today will be a joyful day; enter, rejoice, and come in.

Today will be a joyful day
Today will be a joyful day
Today will be a joyful day
Enter, rejoice, and come in.

STANDING ON THE SIDE OF LOVE – *Jason Shelton*

arr. Mark David Buckles

The promise of the Spirit:
Faith, hope and love abide.
And so every soul is blessed and made whole;
The truth in our hearts is our guide.

Chorus

**We are standing on the side of love,
Hands joined together as hearts beat as one.
Emboldened by faith we dare to proclaim
We are standing on the side of love.**

Sometimes we build a barrier
To keep love tightly bound.
Corrupted by fear, unwilling to hear,
Denying the beauty we've found.

Chorus

A bright new day is dawning
When love will not divide.
Reflections of grace in every embrace,
Fulfilling the vision divine.

Chorus

IF YOU WANT TO SING OUT, SING OUT – *Cat Stevens*

Well, if you want to sing out, sing out
And if you want to be free, be free
'Cause there's a million things to be
You know that there are

And if you want to live high, live high
And if you want to live low, live low
'Cause there's a million ways to go
You know that there are

Chorus

**You can do what you want
The opportunity's on
And if you find a new way
You can do it today
You can make it all true
And you can make it undo**

**You see, ah ah ah
It's easy, ah ah ah
You only need to know**

Well if you want to say yes, say yes
And if you want to say no, say no
'Cause there's a million ways to go
You know that there are

And if you want to be me, be me
And if you want to be you, be you
'Cause there's a million things to do
You know that there are

Chorus

Well, if you want to sing out, sing out
And if you want to be free, be free
'Cause there's a million things to be
You know that there are

TRUE THINGS – *JJ Heller*

I'm not the clothes I'm wearing
I'm not a photograph
I'm not the car I drive
I'm not the money I make
I'm not the things I lack
I'm not the songs that I write

I am who I am
I am who I am

Chorus

**There are true things inside of me
I have been afraid to see
I believe, help my unbelief
Would you say again what you said to me
I am loved and I am free
I believe, help my unbelief**

I'm not the house I live in
I'm not the man I love
I'm not the mistakes that I carry
I'm not the food that I don't eat
I'm not what I'm above
I'm not my scars and my history

I am who I am
I am who I am

Chorus

I am the choices I make
I am the way I laugh
I am the songs I sing
I am the love I feel from you
I am the love I share
I am my scars and my history...
I'm failures and victory,
I'm truth and I'm mystery

I am who I am
I am who I am

Chorus

To your love I'm waking up
In your love I'm waking up
To your love I'm waking up
In your love I'm waking up

Chorus

Would you say again what you said to me
I am loved and I am free.
I believe, help my unbelief.

BRAVE – *Sara Bareilles*

You can be amazing
You can turn a phrase into a weapon or a drug
You can be the outcast
Or be the backlash of somebody's lack of love
Or you can start speaking up

Nothing's gonna hurt you the way that words do
When they settle 'neath your skin
Kept on the inside and no sunlight
Sometimes a shadow wins
But I wonder what would happen if you

Chorus

**Say what you wanna say
And let the words fall out honestly
I wanna see you be brave
With what you want to say
And let the words fall out honestly
I wanna see you be brave**

I just wanna see you x3
I wanna see you be brave

Everybody's been there,
Everybody's been stared down by the enemy
Fallen for the fear
And done some disappearing,
Bow down to the mighty
Don't run, just stop holding your tongue

Maybe there's a way out of the cage where you live
Maybe one of these days you can let the light in
Show me how big your brave is

Chorus

And since your history of silence
Won't do you any good,
Did you think it would?
Let your words be anything but empty
Why don't you tell them the truth?

Chorus

I just wanna see you x3
I wanna see you be brave
