

And a certificate on paper isn't gonna solve it all
But it's a damn good place to start
No law is gonna change us
We have to change us
Whatever God you believe in
We come from the same one
Strip away the fear
Underneath it's all the same love
About time we raised up

HOOK

Love is patient, love is kind
(Not crying on Sundays)
Love is patient, love is kind

SAN FRANCISCO BY *THE MOWGLI'S*

VERSE 1

Well I've been in love with love
And the idea of
Something binding us together
You know that love is strong enough.
And I've seen time tell tales
About that systematic drug
Yeah, that heart that beats as one,
It's collectively, unconsciously composed

Do do do do, do do do do

VERSE 2

I lost my head in San Francisco
Waiting for the fog to roll out
But I found it in a rain cloud, it was smiling down.
Do you feel the love, I feel the love.
C'mon, c'mon let's start it up,
Let it pour out of your soul

VERSE 3

Well I've been in love with love
And the idea of
Something binding us together
You know that love is strong enough.
And I've seen time tell tales
About that systematic drug
Yeah, that heart that beats as one,
It's collectively, unconsciously composed
Do you feel the love, I feel the love.
C'mon, c'mon let's start it up, Let it pour out of your soul

Do you feel the love, I feel the love.
C'mon, c'mon let's start it up,
Let it pour out of your soul

Do do do do, do do do do

HOLD US TOGETHER BY *MATT MAHER*

VERSE 1

It don't have a job
Don't pay your bills
Won't buy you a home in Beverly Hills

VERSE 2

Won't fix your life
In five easy steps

Ain't the law of the land or the government
But it's all you need...

CHORUS

Love, will, hold us together
Make us a shelter
to weather the storm
And I'll be my brothers keeper
So the whole world will know
That we're not alone

VERSE 3

It's waiting for you
Knockin' at your door
In the moment of truth
When your heart hits the floor
And you're on your knees, then

CHORUS

BRIDGE (2 times)

This is the first day of the rest of your life
This is the first day of the rest of your life
'Cause even in the dark you can still see the light
It's gonna be alright, it's gonna be alright

HAPPY BY *PHARRELL*

VERSE 1

It might seem crazy what I'm about to say
Sunshine she's here, you can take a break
I'm a hot air balloon that could go to space
With the air, like I don't care baby by the way

CHORUS

Because I'm happy
Clap along if you feel like a room without a roof
Because I'm happy
Clap along if you feel like happiness is the truth
Because I'm happy
Clap along if you know what happiness is to you
Because I'm happy
Clap along if you feel like that's what you wanna do

VERSE 2

Here come bad news talking this and that, yeah,
Well, give me all you got, and don't hold it back, yeah,
Well, I should probably warn you I'll be just fine, yeah,
No offense to you, don't waste your time.... Here's why

CHORUS

BRIDGE

Bring me down... can't nothing...
Bring me down... my level's too high...
Bring me down... can't nothing...
Bring me down, I said...

JUNE 14TH, 2014

Arlington Street Church
Boston, Massachusetts

Gathered in love and service for justice and peace

EVERYBODY BY *INGRID MICHAELSON*

VERSE 1

We have fallen down again tonight
In this world it's hard to get it right
Trying to make your heart fit like a glove
What it needs is love, love, love

CHORUS

Everybody, everybody wants to love
Everybody, everybody wants to be loved
Oh oh oh, Oh oh oh

VERSE 2

Happy is the heart that still feels pain
Darkness drains and light will come again
Swing open up your chest and let it in
Just let the love, love, love begin

Everybody knows the love, Everybody holds the love
Everybody folds for love
Everybody feels the love, Everybody steals the love
Everybody heals with love

Oh oh oh, Just let the love love love begin

CHORUS

STANDING ON THE SIDE OF LOVE

BY *JASON SHELTON*

VERSE 1

The promise of the Spirit:
Faith, hope, and love abide.
And so every soul is blessed and made whole;
The truth in our hearts is our guide.

CHORUS

We are standing on the side of love,
Hands joined together as hearts beat as one.
Emboldened by faith we dare to proclaim
We are standing on the side of love.

VERSE 2

Sometimes we build a barrier
to keep love tightly bound.
Corrupted by fear, unwilling to hear,
Denying the beauty we've found.

CHORUS

VERSE 3

A bright new day is dawning
when love will not divide.
Reflections of grace in every embrace,
Fulfilling the vision divine.

CHORUS (2 times)

CARRY ON BY *FUN*

VERSE 1

Well I woke up to the sound of silence
And cries were cutting like knives in a fist fight
And I found you with a bottle of wine
Your head in the curtains and heart like the Fourth of July

You swore and said, "We are not,
We are not shining stars."
This I know, I never said we are
Though I've never been through hell like that
I've closed enough windows to know you can never look back

CHORUS

If you're lost and alone
Or you're sinking like a stone, carry on.
May your path be the sound
Of your feet upon the ground.
Carry on.... carry on, carry on

VERSE 2

So I met up with some friends at the edge of the night
At a bar off 75.
And we talked and talked about how our parents will die,
All our neighbors and wives.
But I like to think I can cheat it all
To make up for the times I've been cheated on.
And it's nice to know when I was left for dead
I was found and now I don't roam these streets,
I am not the ghost you are to me.

CHORUS

VERSE 3

Whoa, my head is on fire but my legs are fine.
After all they are mine. Lay your clothes down on the floor,
Close the door, hold the phone,
Show me how no one's ever gonna stop us tonight.

'Cause here we are, we are shining stars
We are invincible we are who we are
On our darkest day, when we're miles away
Sun will come, we will find our way home

CHORUS

SAME LOVE BY *MACKLEMORE & RYAN LEWIS*

VERSE 1

When I was in the third grade
I thought that I was gay,
'Cause I could draw, my uncle was
And I kept my room straight.
I told my mom, tears rushing down my face
She's like "Ben you've loved girls since before Pre-K
Yeah, I guess she had a point, didn't she?
A bunch of stereotypes all in my head.
I remember doing the math like
Yeah, I'm good at little league
A preconceived idea of what it all meant
For those that liked the same sex had the characteristics

The right wing conservatives think it's a decision
And you can be cured with some treatment and religion
Man-made, rewiring of a predisposition
Playing God
Aw nah here we go
America the brave
Still fears what we don't know
And 'God loves all his children' is somehow forgotten
But we paraphrase a book written thirty-five-hundred years ago
I don't know

HOOK

And I can't change, Even if I tried, Even if I wanted to
And I can't change, Even if I try, Even if I wanted to
My love, my love, my love
She keeps me warm (4 times)

VERSE 2

If I was gay,
I would think hip-hop hates me
Have you read the YouTube comments lately?
"Man, that's gay"
Gets dropped on the daily
We've become so numb to what we're saying
Our culture founded from oppression
Yet we don't have acceptance for 'em
Call each other faggots
Behind the keys of a message board
A word rooted in hate
Yet our genre still ignores it
Gay is synonymous with the lesser
It's the same hate that's caused wars from religion
Gender to skin color, the complexion of your pigment
The same fight that led people to walk-outs and sit-ins
Human rights for everybody
There is no difference
Live on! and be yourself!
When I was at church
They taught me something else
If you preach hate at the service
Those words aren't anointed
And that holy water
That you soak in
Is then poisoned
When everyone else is more comfortable
Remaining voiceless
Rather than fighting for humans
That have had their rights stolen
I might not be the same but that's not important
No freedom 'til we're equal – Damn right I support it

HOOK

VERSE 3

We press play, don't press pause
Progress, march on
With the veil over our eyes
We turn our back on the cause
Till the day that my uncles can be united by law
When kids aren't walking 'round the hallway plagued by pain in their heart
A world so hateful some would rather die than be who they are
